

# The Bird Song - Victoria Vox

**C** **G**  
I'm gonna sing, sing like a bird  
**Am** **F**  
A bird in the sky, the sky so high  
**C** **G**  
And I'm gonna send, send you a song  
**F** **C**  
A song from my heart, my heart full of love

**C** **G**  
When you look in the mirror, tell me what do you see?  
**Am** **F**  
Do you see me in your eyes?  
**C** **G**  
Although I can't be there every day  
**Am** **F**  
You can hear me if you try
